

QUICK GUIDE TO ZEEBRUGGE AUTO-GATE

ENTRY

- 1**
 - Wait for green light
 - Drive through camera portal without stopping
- 2**
 - Stop at kiosk and stay in vehicle
 - Choose your language on the touchscreen
 - Follow instructions on the screen
 - Kiosk will display the yard location to go to (and print boarding pass for accompanied vehicles)
 - Barrier opens automatically
 - If barrier does not open, use the intercom to speak to staff

- DROP-OFF for TRAIN - give CMR (and DGN for hazardous) to checker
- PICK-UP EMPTY UNIT - bring with you the Release code e.g. 1234 and Company code e.g. ABCD

HOW TO SCAN

- Put ID inside scanner with the code touching the glass
- Hold still until scan is complete
- Scanner accepts ID card or Passport (Passport is mandatory for accompanied vehicles)
- Scan ID for each passenger

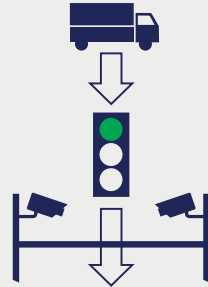

QUICK GUIDE TO ZEEBRUGGE AUTO-GATE

EXIT

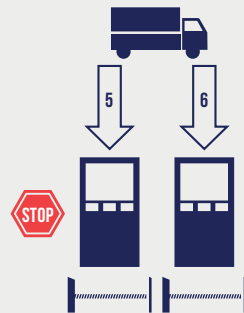

3

- Wait for green light
- Drive through camera portal without stopping

4

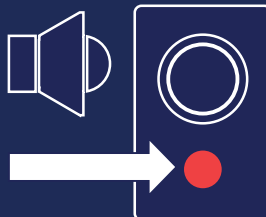

- Stop at kiosk and stay in vehicle
- If cleared for exit, barrier will open automatically
- If barrier does not open, use the intercom to speak to staff

Units that do not match the information entered at the in-gate kiosk will be automatically stopped at the out gate

HOW TO GET HELP

- Use the intercom to speak to a member of staff.

Press the red button to call the gatehouse
